

HB5388 • United States (Federal)

American Artificial Intelligence Leadership and Uniformity Act

Introduced

Risk: Medium

Comprehensive

Last Action (Dec 19, 2025): Referred to the Subcommittee on Oversight and Investigations.

Summary

The American Artificial Intelligence Leadership and Uniformity Act aims to establish a national framework for AI leadership and imposes a temporary moratorium on certain state laws regulating AI systems.

Business Impact

If you use AI in your business, you must stay updated on federal guidelines or risk facing penalties once the law takes effect.

Key Provisions

- Establishes a national framework for AI leadership.
- Requires an actionable federal plan for AI research, development, and deployment.
- Imposes a temporary moratorium on certain state laws regulating AI.
