

S07599 • New York

Regulates automated decision-making by government agencies; requires agencies to conduct impact assessments; requires disclosure of automated decision-making tools utilized by governmental agencies.

Passed Both Chambers

Risk: Medium

Comprehensive

Last Action (Dec 19, 2025): APPROVAL MEMO.86

Summary

The bill regulates automated decision-making by New York government agencies, requiring impact assessments and tool disclosures, with details on public access unspecified.

Business Impact

If you provide AI tools to NY agencies, ensure compliance with disclosure requirements.

Key Provisions

- Agencies must conduct impact assessments for automated decision-making tools.
- Disclosure of automated decision-making tools is required, though public access is not specified.

Compliance Checklist

- Conduct impact assessments for automated decision-making tools | Who: Government agencies | Penalty: Cessation of tool use if discriminatory outcomes are found
- Publish a list of automated decision-making tools on agency websites | Who: Government agencies | Penalty: Potential legal repercussions for non-compliance
