

HB9913 • United States (Federal)

Ending FCC Meddling in Our Elections Act

Introduced

Risk: Medium

Narrow/Targeted

Last Action (Oct 04, 2024): Referred to the House Committee on Energy and Commerce.

Summary

This bill prohibits the FCC from regulating the disclosure of AI-generated content in political ads, aiming to limit federal oversight in elections.

Business Impact

If you run political advertisements that use AI-generated content, you must ensure compliance with disclosure rules set by the FCC or face potential legal challenges.

Key Provisions

- Prohibits the FCC from regulating AI-generated content in political ads
- Limits federal oversight in election-related communications
- Aims to reduce regulatory burdens on political campaigns using AI

Compliance Checklist

- Monitor FCC regulations regarding AI in political ads | Who: Political advertisers and campaign managers | Penalty: Potential legal challenges if regulations are violated
