Digital Choice Act

Introduced

Risk: Medium

Comprehensive

Last Action (Feb 18, 2026): Referred to Committee on Labor, Commerce and Industry

Summary

The Digital Choice Act adds Chapter 31 to Title 37, defining terms related to digital choice and social media, mandates data interoperability interfaces, and outlines civil penalties.

Business Impact

If you operate a social media service, you must provide data access and sharing by law or face penalties.

Key Provisions

- Definition of terms related to digital choice and social media (Chapter 31, Title 37)
- Requirement for social media services to provide personal data upon request in a structured, commonly used, and machine-readable format
- Mandate for data interoperability interfaces, though specifics of data sharing are unavailable
- Granting of specific consumer rights regarding personal data, details unspecified
- Provision of civil penalties for violations of the chapter

Compliance Checklist

- Provide consumers with access to their personal data upon request. | Who: Social media companies | Penalty: Up to \$2,500 for non-compliance
- Implement interoperability interfaces for data sharing. | Who: Social media companies | Penalty: Up to \$2,500 for non-compliance
