

SB3241 • Illinois

AGE-APPROPRIATE DESIGN CODE

Introduced

Risk: Medium

Comprehensive

Effective: Oct 01, 2023 | Last Action (May 22, 2026): Rule 3-9(a) / Re-referred to Assignments

Summary

The Illinois Age-Appropriate Design Code Act mandates entities operating in Illinois and processing children's data to prioritize children's best interests, conduct data protection impact assessments, and adhere to additional requirements.

Business Impact

If you process children's data in Illinois, you must conduct data protection impact assessments by July 2024 or face penalties.

Key Provisions

- Section 1: Short title - Illinois Age-Appropriate Design Code Act
- Section 5: Intent - Protect existing rights and freedoms of children
- Amends the State Finance Act to create the Age-Appropriate Design Code Enforcement Fund
- Requires documentation of data protection impact assessments
- Outlines prohibited acts by covered entities
- Enforcement by the Attorney General
- Includes a severability clause
- Effective immediately upon enactment

Compliance Checklist

- Conduct a data protection impact assessment for online services accessed by children | Who: Covered entities | Penalty: Enforcement actions by the Attorney General
- Maintain documentation of data protection impact assessments | Who: Covered entities | Penalty: Enforcement actions by the Attorney General
