

# SB0163 • Indiana

Various property tax matters.

Passed Both Chambers

Risk: Medium

Comprehensive

Last Action (Mar 05, 2026): Public Law 114

## Summary

SB0163 regulates property tax inspections in Indiana, requiring taxpayer permission, details conditions for tax representatives, and mandates a report on automated valuation systems.

## Business Impact

If you operate in Indiana's property tax sector, you must comply with new inspection regulations by July 1, 2024, or face penalties.

## Key Provisions

- County boards or assessing officials must obtain taxpayer permission before property inspections.
- Requires a report on automated valuation systems to be prepared by the Department of Local Government Finance, though specific elements are not detailed in the bill.
- Allows individuals to serve as tax representatives under specific circumstances, such as being designated by the taxpayer or having a fiduciary relationship, without limiting to certain professions.

## Industries Affected

Finance

Government

Local Government

Real Estate
