

## PD365/ISBE-ARTIFICIAL INTEL

Introduced

Risk: Medium

Study/Task Force

Last Action (Feb 05, 2026): Referred to Assignments

## Summary

The bill supports ethical AI use in K-12 classrooms, emphasizing equitable access to technology, data protection, algorithmic transparency, and the encouragement of AI-enabled tools, involving key stakeholders in guideline development.

## Business Impact

If you operate in Illinois education, you must ensure ethical AI use and data protection in classrooms or risk losing funding.

## Key Provisions

- Supports ethical AI use in K-12 classrooms.
- Urges ISBE to develop guidelines for data protection and algorithmic transparency with input from school districts, educators, technology experts, and stakeholder organizations.
- Encourages investment in educator professional development.
- Calls for equitable access to technology and broadband.
- Emphasizes the importance of digital and AI literacy in curricula.
- Encourages the use of AI-enabled tools.

## Compliance Checklist

- Develop and implement guidelines for ethical AI use in education | Who: Illinois State Board of Education and school districts | Penalty: Potential loss of funding or support
- Invest in professional development for educators on AI systems | Who: School districts and educational institutions | Penalty: Risk of inadequate preparation for AI integration
