Last Action (Apr 30, 2025): Committee Consideration and Mark-up Session Held

Summary

This bill requests the President to provide documents regarding the use of AI by the DOGE Service that may jeopardize private information and essential services.

Business Impact

If you operate a service using AI that handles private information, you must ensure compliance with data privacy standards or face scrutiny.

Key Provisions

- Request for the President to transmit documents related to AI use by the DOGE Service.
- Inquiry into the operational practices of the DOGE Service regarding AI.
- Call for transparency in AI deployment by government services.

Compliance Checklist

- Prepare documentation related to AI use and data privacy practices | Who: Organizations using AI in services | Penalty: Potential scrutiny or regulatory action
- Review AI accountability measures | Who: Technology service providers | Penalty: Increased oversight or compliance requirements
