

SB1633 • United States (Federal)

TEST AI Act of 2025 Testing and Evaluation Systems for Trusted Artificial Intelligence Act of 2025

Introduced

Risk: Medium

Study/Task Force

Last Action (May 07, 2025): Read twice and referred to the Committee on Commerce, Science, and Transportation.

Summary

The TEST AI Act of 2025 mandates the creation of a pilot program to develop standards for evaluating AI systems.

Business Impact

If you develop or use AI systems, you must comply with new evaluation standards set by the National Institute of Standards and Technology.

Key Provisions

- Establishment of a pilot program for AI evaluation standards.
- Utilization of testbeds for developing measurement standards.
- Director of NIST is responsible for program implementation.

Compliance Checklist

- Participate in the pilot program for AI evaluation standards | Who: Developers and users of AI systems

Industries Affected

Data Science

Technology

Artificial Intelligence
