

S1346 • Florida

Public Records/Department of Legal Affairs/Artificial Intelligence Violations

Dead

Risk: Low

Narrow/Targeted

Last Action (Mar 13, 2026): Died in Commerce and Tourism

Summary

The bill proposes an exemption from public records for investigations into AI violations by the Department of Legal Affairs in Florida.

Business Impact

If you handle AI-related investigations, note that this bill was not enacted.

Key Provisions

- Exemption from public records requirements for AI violation investigation information.
- Statement of public necessity for the exemption, which justifies the need to protect sensitive information during ongoing investigations to maintain integrity and prevent harm.

Compliance Checklist

- Ensure all AI violation investigation information is kept confidential until the investigation is complete. | Who: Operators of AI systems and the Department of Legal Affairs. | Penalty: Potential legal consequences for unauthorized disclosure.
- Review and update data handling practices to comply with confidentiality requirements. | Who: Businesses operating AI systems. | Penalty: Risk of legal challenges and loss of proprietary information.
