

HEALTH CARE GENERATIVE AI USE

Introduced

Risk: Medium

Amendment

Last Action (Apr 11, 2025): Senate Committee Amendment No. 1 Rule 3-9(a) / Re-referred to Assignments

Summary

This bill mandates that healthcare facilities using generative AI for both written and verbal patient communications must meet defined criteria and include specific format disclaimers.

Business Impact

If you operate a healthcare facility in Illinois using AI for patient communications, you must ensure compliance with new criteria or face penalties.

Key Provisions

- Defines generative artificial intelligence and its applications in healthcare.
- Requires format-specific disclaimers for AI-generated written and verbal patient communications.
- Exempts reviewed AI communications from certain requirements.
- Establishes penalties for non-compliance by healthcare providers.
- Mandates clear instructions for contacting human providers.

Compliance Checklist

- Ensure all AI-generated patient communications include required disclaimers. | Who: Healthcare facilities, clinics, and physician offices. | Penalty: Penalties as determined by the Department of Financial and Professional Regulation or the Illinois State Medical Board.
- Provide clear instructions for patients to contact human providers. | Who: Healthcare facilities, clinics, and physician offices. | Penalty: Penalties as determined by the Department of Financial and Professional Regulation or the Illinois State Medical Board.
