

# SB1399 • United States (Federal)

## Health Tech Investment Act

Introduced

Risk: Medium

Amendment

Last Action (Apr 09, 2025): Read twice and referred to the Committee on Finance.

## Summary

The Health Tech Investment Act aims to amend Medicare payment structures for algorithm-based healthcare services.

## Business Impact

If you provide algorithm-based healthcare services under Medicare, you must ensure compliance with new payment structures by implementation date or face payment issues.

## Key Provisions

- Amends Medicare payment structures for algorithm-based services.
- Ensures appropriate compensation for healthcare providers using advanced algorithms.

## Compliance Checklist

- Adjust billing practices to align with new payment structures. | Who: Healthcare providers using algorithm-based services. | Penalty: Potential reduction in reimbursements.
