

HB6197 • United States (Federal)

Health Tech Investment Act

Introduced

Risk: Medium

Amendment

Last Action (Nov 20, 2025): Referred to the Committee on Energy and Commerce, and in addition to the Committee on Ways and Means, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.

Summary

The Health Tech Investment Act amends Title XVIII of the Social Security Act to address algorithm-based healthcare services under Medicare.

Business Impact

If you provide algorithm-based healthcare services under Medicare, you must ensure compliance with new payment policies by the implementation date or face payment delays.

Key Provisions

- Amends Title XVIII of the Social Security Act to address algorithm-based healthcare services under Medicare.

Compliance Checklist

- Ensure billing practices align with new Medicare payment policies for algorithm-based services. | Who: Healthcare providers offering algorithm-based services. | Penalty: Potential delays in payment or denial of claims.
