

HB7058 • United States (Federal)

Foreign Adversary AI Risk Assessment and Diplomacy Act

Introduced

Risk: Medium

Study/Task Force

Last Action (Mar 26, 2026): Ordered to be Reported by the Yeas and Nays: 45 - 0.

Summary

The bill mandates the Secretary of State to assess risks from foreign adversaries using generative AI and propose actions, but the full text is needed to confirm collaboration provisions.

Business Impact

If you operate in AI, be aware of potential scrutiny on foreign collaborations due to national security concerns.

Key Provisions

- Requires the Secretary of State to conduct risk assessments regarding foreign adversaries using generative AI.
- Specifies that actions should be proposed based on the assessments.
- Does not name specific foreign adversaries, suggesting a general assessment approach is inferred.
- Does not confirm collaboration with other government agencies and international partners due to lack of full bill text.
- Assumes absence of specific mechanisms or criteria for proposing actions based on the assessments without full bill text.
