

# HB238 • United States (Federal)

## Healthy Technology Act of 2025

Introduced

Risk: Medium

Amendment

Last Action (Jan 07, 2025): Referred to the House Committee on Energy and Commerce.

## Summary

The Healthy Technology Act of 2025 amends the FDCA to allow AI and ML to prescribe drugs if both FDA approved, cleared, or authorized and state authorized.

## Business Impact

If you use AI for prescribing drugs, you must ensure both FDA approval and state authorization.

## Key Provisions

- AI and ML technologies can qualify as practitioners eligible to prescribe drugs if approved, cleared, or authorized by the FDA and authorized by the state.

## Compliance Checklist

- Obtain state authorization for AI/ML technologies to prescribe drugs. | Who: Healthcare technology providers. | Penalty: Not specified.
- Secure FDA approval for AI/ML technologies. | Who: Healthcare technology providers. | Penalty: Not specified.

## Industries Affected

Healthcare Technology

Healthcare

Technology

Pharmaceuticals
