Summary

AZ HB2371 outlines arbitration in divorce proceedings, detailing arbitrator selection and AI's role in decision-making processes.

Business Impact

If you facilitate divorce proceedings in Arizona, you must obtain written consent for AI-assisted arbitration or face legal challenges.

Key Provisions

- The bill specifies arbitration as an option in divorce proceedings, detailing arbitrator selection criteria.
- It defines artificial intelligence's role in assisting with data analysis and decision-making.

Compliance Checklist

- Obtain written consent from both parties for AI-assisted arbitration | Who: Legal practitioners facilitating divorce proceedings | Penalty: Potential legal challenges to arbitration outcomes
- Ensure no minor children are involved before proceeding with AI arbitration | Who: Legal practitioners and parties involved in the divorce | Penalty: Invalidation of arbitration process
