

HB1569 • United States (Federal)

CATCH Fentanyl Act Contraband Awareness Technology Catches Harmful Fentanyl Act

Introduced

Risk: Low

Study/Task Force

Last Action (Aug 15, 2025): Placed on the Union Calendar, Calendar No. 187.

Summary

The CATCH Fentanyl Act proposes a federal pilot program to assess technology for enhancing cargo inspections at U.S. land ports of entry.

Business Impact

If you operate at land ports of entry, you must implement fentanyl detection technology by the pilot program's start date or face penalties.

Key Provisions

- Establishment of a federal pilot program to assess technology for enhancing cargo inspections at land ports of entry

Industries Affected

Border Security

Technology
