Last Action (Mar 27, 2026): Rule 19(a) / Re-referred to Rules Committee

Summary

IL HB 3567: AI-MEANINGFUL HUMAN REVIEW mandates human oversight and impact assessments, including system testing, for automated decision-making systems by State agencies.

Business Impact

If you operate a State agency in Illinois using automated decision-making, you must ensure continuous human review or face potential penalties.

Key Provisions

- Prohibits State agencies from using automated decision-making systems without continuous meaningful human review.
- Requires impact assessments for any automated decision-making system used by State agencies, submitted to the Governor and General Assembly, including system testing.
- Impact assessments must include a description and evaluation of the objectives and ability of the automated decision-making system to achieve its stated objectives.
- Requires a notification mechanism or procedure for individuals impacted by the automated decision-making system, informing them of their rights and options relating to the use of their personal data.

Compliance Checklist

- Conduct impact assessments for automated decision-making systems | Who: State agencies | Penalty: Potential operational and legal consequences for non-compliance
- Ensure continuous meaningful human review of automated decision-making systems | Who: State agencies | Penalty: Potential operational and legal consequences for non-compliance
