Dead

Risk: Medium

Study/Task Force

Effective: Jul 01, 2024 | Last Action (Mar 08, 2024): Died in Governmental Oversight and Accountability

## Summary

The bill establishes the Artificial Intelligence Advisory Council and mandates state agencies to report on automated decision systems by July 1, 2025.

## Business Impact

If you use AI systems, ensure compliance with state regulations as local regulations are prohibited.

## Key Provisions

- Creation of the Artificial Intelligence Advisory Council within the Department of Management Services (s. 282.32).
- State agencies must submit an inventory report of automated decision systems by July 1, 2025 (s. 282.321).
- Prohibition on local governments regulating AI systems (s. 282.323).

## Compliance Checklist

- Prepare and submit an inventory report of all automated decision systems. | Who: Each state agency | Penalty: Potential legislative scrutiny for non-compliance.
- Participate in council meetings and provide necessary information. | Who: Members of the Artificial Intelligence Advisory Council | Penalty: Removal from the council by the appointing authority.
