

HB5099 • Illinois

AI USE IN GOVT CONTRACTS

Introduced

Risk: Medium

Amendment

Last Action (Feb 08, 2024): Referred to Rules Committee

Summary

The bill mandates vendors to disclose AI usage in government contracts and updates if AI roles change.

Business Impact

If you contract with the Illinois government and use AI, you must disclose this to relevant authorities or face disqualification.

Key Provisions

- Vendors must disclose AI usage in government contracts to relevant authorities.
- Updated disclosures are required if AI usage changes during the contract.
- State agencies can request detailed information about the AI technology used.
- Vendors may be disqualified for failing to disclose or providing false information.
- Disqualification can last up to 2 years.

Compliance Checklist

- Disclose AI usage in contracts | Who: Vendors contracting with the Illinois government | Penalty: Disqualification from contracting for up to 2 years
- Provide updated disclosures if AI usage changes | Who: Vendors | Penalty: Potential disqualification from future contracts
