

# HB5649 • Illinois

## DFPR-AI-MENTAL HEALTH SERVICE

Introduced

Risk: Medium

Amendment

Last Action (Apr 05, 2024): Rule 19(a) / Re-referred to Rules Committee

### Summary

This bill mandates informed consent for the use of AI tools in mental health services by licensed professionals in Illinois, amending relevant professional practice acts.

### Business Impact

If you provide mental health services in Illinois using AI, you must obtain patient consent and disclose AI use or face penalties.

### Key Provisions

- Prohibits mental health professionals from using AI without informed consent.
- Requires disclosure of AI tool usage to patients.
- Empowers the Department of Financial and Professional Regulation to adopt relevant rules.
- Amends multiple professional practice acts to include AI-related provisions.
- Establishes grounds for discipline related to AI use.
- Ensures patient rights are prioritized in mental health services.

### Compliance Checklist

- Obtain informed consent from patients before using AI tools. | Who: Licensed mental health professionals. | Penalty: Potential disciplinary action.
- Disclose the use of AI tools to patients prior to service. | Who: Licensed mental health professionals. | Penalty: Potential disciplinary action.
