Summary

This bill amends the Consumer Installment Loan Act to make a technical change regarding loan licensing requirements.

Business Impact

If you operate a hospital in Illinois, you must ensure diagnostic algorithms are certified and obtain patient consent before use.

Key Provisions

- Hospitals must confirm diagnostic algorithms are certified by relevant state departments.
- Algorithms must show equal or greater accuracy compared to other diagnostic methods.
- Patients must be informed when a diagnostic algorithm is used.
- Patients must have the option to choose a non-algorithmic diagnosis.
- Patient consent is required before using a diagnostic algorithm.

Compliance Checklist

- Confirm certification of diagnostic algorithms | Who: Hospitals | Penalty: Potential legal challenges and reputational damage
- Inform patients about the use of diagnostic algorithms | Who: Hospitals | Penalty: Potential legal challenges and reputational damage
- Obtain patient consent for algorithm use | Who: Hospitals | Penalty: Potential legal challenges and reputational damage
