

# HB6077 • United States (Federal)

## HEAL-AI Act Healthcare Education in AI Literacy Act

Introduced

Risk: Medium

Amendment

Last Action (Nov 18, 2025): Referred to the House Committee on Energy and Commerce.

### Summary

The HEAL-AI Act aims to amend the Public Health Service Act to provide AI education to medical students, residents, and faculty. Potential impacts on curricula or accreditation are not detailed here.

### Business Impact

If you employ medical professionals, ensure AI training is part of their education or face potential compliance issues.

### Key Provisions

- Amends the Public Health Service Act to include AI education for medical students, residents, and faculty. Specific implementation methods, funding, timelines, or responsible entities are not addressed here due to the lack of access to the full bill text, limiting the analysis.

### Compliance Checklist

- Implement AI literacy programs in medical curricula | Who: Medical schools and training institutions
- Provide training for existing medical faculty on AI technologies | Who: Medical faculties and institutions
