

BIPA-SECURITY PURPOSES

Introduced

Risk: Medium

Amendment

Last Action (Apr 16, 2021): Rule 3-9(a) / Re-referred to Assignments

Summary

SB0602 amends the Biometric Information Privacy Act to redefine terms and adjust consent requirements for biometric data used in security contexts.

Business Impact

If you collect biometric data for security, inform subjects initially and check Department of Labor's website for compliance.

Key Provisions

- Redefines 'biometric identifier' and 'written release' (Sec. 10)
- Allows initial consent for repeated biometric data collection (Sec. 15(b-5))
- Waives certain requirements for security-related biometric data (Sec. 15(b-10))
- Defines new terms including 'biometric lock' and 'security purpose' (Sec. 10)
- Exempts information captured by licensed alarm systems and biometric time clocks (Sec. 25(d), Sec. 25(f))
- Department of Labor to provide compliance information online (Sec. 35)

Compliance Checklist

- Inform individuals during the initial collection of biometric data. | Who: Private entities collecting biometric identifiers. | Penalty: Potential penalties for non-compliance.
- Review and update biometric data collection practices. | Who: Businesses using biometric systems for security. | Penalty: Potential penalties for non-compliance.
