

S01042 • New York

Includes "deep fake" images created by digitization within the definition of unlawful dissemination or publication of an intimate image.

Passed Both Chambers

Risk: Medium

Amendment

Effective: Mar 10, 2023 | Last Action (Sep 29, 2023): SIGNED CHAP.513

Summary

This bill expands the definition of unlawful dissemination of intimate images to include deep fake images created by digitization.

Business Impact

If you create or distribute digital content in New York, you must ensure it does not include deep fake images of individuals without consent or face legal penalties.

Key Provisions

- Includes deep fake images in the definition of unlawful dissemination of intimate images.
- Prohibits dissemination or publication of intimate images without consent.
- Defines 'digitization' as altering images realistically using actual or computer-generated images.
- Amends existing laws to enhance protections against non-consensual image sharing.
- Takes effect 60 days after becoming law.

Compliance Checklist

- Ensure all digital content does not include deep fake images of individuals without consent. | Who: Content creators and distributors. | Penalty: Potential criminal charges for unlawful dissemination.
