Last Action (Mar 19, 2009): SUBSTITUTED BY A6740

Summary

The 'Save our Jobs Act of 2021' establishes a commission to assess the impact of autonomous and alternative fuel tractor trailers on truck drivers and diesel mechanics.

Business Impact

If you operate in the trucking industry in New York, you must prepare for potential job losses due to autonomous technology by February 15, 2022.

Key Provisions

- Establishment of the 'tractor trailer operator and diesel mechanic retraining and employment commission'.
- Commission to report findings on job impacts by February 15, 2022.
- Recommendations for state actions to support affected workers.

Compliance Checklist

- Prepare for potential job losses and workforce impacts due to autonomous technology. | Who: Trucking companies and related businesses. | Penalty: No specified penalties, but non-compliance may lead to unpreparedness for workforce changes.
