

A 8546 • New York

Relates to requiring disclosure of use of generative artificial intelligence in a civil action

Unknown

Risk: Medium

Amendment

Last Action (Jan 07, 2026): REFERRED TO JUDICIARY

Summary

The bill mandates disclosure of generative AI use in civil actions in New York, requiring human review certification, but specifics need verification.

Business Impact

If you use AI for legal filings, you must disclose and certify human review or face compliance issues.

Key Provisions

- Potential introduction of Rule 2107: Certification of filings produced using generative AI.
- Pending confirmation of generative AI definition.
- No disclosure required if AI is not used, subject to verification.
- Potential amendment of Rule 5528: Disclosure requirement for appellate briefs.

Compliance Checklist

- Disclose use of generative AI in civil actions | Who: All parties involved in the civil action | Penalty: Potential legal consequences for non-compliance
