

AI-MEANINGFUL HUMAN REVIEW

Unknown

Risk: High

Comprehensive

Summary

HB 3720 mandates meaningful human review of AI systems used by Illinois state agencies, explicitly defining the scope and requiring impact assessments.

Business Impact

If you use AI for public services in Illinois, ensure human oversight or face compliance issues.

Key Provisions

- Section 10: Prohibits use of AI systems without human review, explicitly covering public assistance and individual rights.
- Section 15: Requires impact assessments for state agencies using automated decision-making systems.

Compliance Checklist

- Implement meaningful human review processes for AI decisions | Who: Organizations using AI | Penalty: To be determined based on specific compliance guidelines.
