### Summary

This bill enacts measures to protect minors from compulsive use by requiring risk assessments, prevent unauthorized digital likeness replication, and ensure transparency in chatbot interactions.

### Business Impact

If you operate a digital platform for minors in Kansas, you must assess risks of compulsive use or face potential legal action.

### Key Provisions

- Businesses must assess and mitigate risks of compulsive use by minors.
- Establishes a private right of action for unauthorized digital likeness replication.
- Prohibits deceptive practices in chatbot interactions, ensuring user awareness of automated systems.

### Compliance Checklist

- Assess and mitigate risks of compulsive use in products for minors. | Who: Businesses operating digital platforms for minors. | Penalty: Potential legal action for non-compliance.
- Ensure transparency in chatbot interactions. | Who: Businesses using chatbots. | Penalty: Potential legal action for deceptive practices.
