

HB1937 • Illinois

APA-SURVEY

Unknown

Risk: Medium

Study/Task Force

Last Action (Feb 04, 2025): Referred to Rules Committee

Summary

This bill mandates a survey of the Illinois Administrative Code to assess restrictions on private sector entities and local governments, allowing AI use.

Business Impact

If you operate a business in Illinois, you must prepare for potential changes to regulations based on the Auditor General's findings within 2 years.

Key Provisions

- Requires the Auditor General to survey mandates in the Illinois Administrative Code.
- Allows the use of artificial intelligence in conducting the survey.
- Mandates a report submission within 2 years of the Act's effective date.
- State agencies must submit follow-up reports within 9 months of the Auditor General's report.
- The Joint Committee on Administrative Rules must calculate agency shares of mandates within 3 months.
- Agencies must reduce mandates to a specified threshold within 2 years.

Compliance Checklist

- Prepare for potential regulatory changes based on the Auditor General's findings | Who: Businesses operating in Illinois | Penalty: Potential non-compliance with new regulations
- Monitor follow-up reports from state agencies | Who: Businesses affected by state regulations | Penalty: Possible regulatory penalties if mandates are not addressed
