

CONSUMER DATA PRIVACY

In Committee

Risk: High

Comprehensive

Last Action (Mar 27, 2026): Rule 2-10 Committee Deadline Established As April 24, 2026

Summary

The Illinois Consumer Data Privacy Act establishes consumer rights regarding personal data, including access, correction, and deletion rights, with enforcement by the Attorney General. It also creates the Consumer Privacy Fund administered by the Office of the Attorney General.

Business Impact

If you process personal data of Illinois consumers, you must ensure compliance with consumer rights or face enforcement actions.

Key Provisions

- Establishes consumer rights to access, correct, and delete personal data.
- Applies to businesses processing data of at least 100,000 consumers or 25,000 consumers with over 50% of revenue from data sales.
- Attorney General has exclusive enforcement authority.
- Creates the Consumer Privacy Fund for enforcement activities.
- Exempts certain entities from the Act's provisions.
- Amends the Freedom of Information Act regarding data assessments.
- Makes a conforming change in the State Finance Act.
