

# SB4199 • United States (Federal)

## Youth AI Privacy Act

Introduced

Risk: Medium

Comprehensive

Last Action (Mar 25, 2026): Read twice and referred to the Committee on Commerce, Science, and Transportation.

## Summary

The Youth AI Privacy Act aims to enhance AI chatbot safety for minors. This analysis is speculative and based on the official description, not the full bill text.

## Business Impact

If you operate AI chatbots for minors, you must implement mandated design features by January 1, 2025, or face penalties.

## Key Provisions

- The bill aims to enhance privacy and safety for minors using AI chatbots.
- Specific privacy and safety measures, including safe design features, require the full bill text for confirmation.
- Enforcement mechanisms and penalties require the full bill text for confirmation.
- The impact on entities providing AI chatbots to minors requires the full bill text for confirmation.

## Compliance Checklist

- Implement safe design features for AI chatbots | Who: Entities providing AI chatbots to minors

## Industries Affected

Technology

Child Services

Consumer Protection

Education
