

HB4330 • Illinois

BIOMETRIC DATA-COMMERCIAL USE

Enacted

Risk: Medium

Amendment

Last Action (Jan 08, 2019): Session Sine Die

Summary

This bill prohibits private entities from requiring biometric data for goods or services, with exceptions for certain sectors.

Business Impact

If you collect biometric data in Illinois, you must ensure compliance with consent requirements or face potential legal penalties.

Key Provisions

- Private entities cannot require biometric data for goods/services, with exceptions for employers.
- Exemptions apply to medical services, law enforcement, and governmental entities.
- Entities must develop a public policy for retention and destruction of biometric data.

Compliance Checklist

- Develop a written policy for biometric data retention and destruction | Who: Private entities collecting biometric data | Penalty: Potential legal consequences for non-compliance
- Ensure consent is obtained before collecting biometric data | Who: Private entities collecting biometric data | Penalty: Potential legal consequences for non-compliance
