

A1746 • New York

Creates a temporary state commission to study and investigate how to regulate artificial intelligence, robotics and automation; and repeals such commission.

Passed Both Chambers

Risk: Medium

Study/Task Force

Last Action (Jul 24, 2019): SIGNED CHAP.110

Summary

The bill creates a temporary commission to study and investigate regulations for artificial intelligence, robotics, and automation in New York, with specific appointment processes and authority to conduct hearings.

Business Impact

If you operate in AI or automation in New York, you must stay informed about potential regulatory changes by December 31, 2020.

Key Provisions

- Establishment of a temporary commission to study AI, robotics, and automation regulation.
- Commission to analyze current laws and comparative state policies.
- Investigation of liability issues related to AI and automation.
- Assessment of employment impacts due to AI and automation.
- Study of confidentiality issues related to AI technologies.
- Final report due 30 days before the commission's expiration.
- Commission may conduct hearings or take written testimony.

Compliance Checklist

- Monitor the commission's findings and recommendations | Who: Businesses operating in AI and automation | Penalty: No specified penalties, but non-compliance may lead to unpreparedness for future regulations.
