

S9172 • New York

Prohibits the state, state agencies and departments and contractors doing business with the state, its agencies or departments from retaining facial recognition images or sharing such images with third parties without legal authorization by a court.

Introduced

Risk: Medium

Narrow/Targeted

Last Action (Oct 05, 2018): REFERRED TO RULES

Summary

Prohibits New York state entities and contractors from retaining or sharing facial recognition images without court authorization.

Business Impact

If you contract with NY state and use facial recognition, you must obtain court approval to retain or share images.

Key Provisions

- Section 1: Prohibits retention and sharing of facial recognition images without court authorization.
- Section 1: Prohibits use of record management systems for aggregate LPR data, audio, video surveillance, and driver license photos without court authorization.
- Section 1: Allows storage and sharing of specifically-identified records for lawful criminal investigations.

Compliance Checklist

- Ensure no facial recognition images are retained or shared without court approval. | Who: State agencies and contractors doing business with the state. | Penalty: Potential legal repercussions for unauthorized retention or sharing.
